Pidilite Knowledge Series for Leading Architects & Interior Designers held in Chennai

Leading Architects and Interior Designers from the city participated in the Pidilite Knowledge Series on 'Thinking Out Of the Box' organized by the Pidilite Industries at Hotel - The Rain Tree in Chennai on 23rd May. Pidilite had specially flown in eminent award winning guest speakers Kalhan Mattoo and Santha Mattoo to address the forum.

Pidilite Knowledge Series is an initiative for India's leading Architects and Interior designers to come together and share their ideas on a creative & interactive platform. Under this banner of knowledge series, Pidilite intends to conduct a series of seminars with a clear objective of sharing knowledge for overall improvement to interior designer & architect community which will enhance standard of living for the society. The themes can be based on any subject which is of interest of architect fraternity with eminent speakers present-

ing their views / designs/ approach on those themes in an interactive seminar. This Seminar is part of our efforts to build strong association with architects and interior designers in the country by offering them innovativeness.

Kalhan Mattoo and Santha Mattoo head 3 Studios Architecture Pvt.Ltd, a young internationally awards winning design studio currently handling architecture and interior projects at multiple locations in India. They have won several awards to name a few, HONOR Award from Design Share, USA, 2007, 'Multiplicit' International Product Design Award, USA, 2008, Excellence in Design of Public Spaces, 2007 Better Interiors, 'Young Designer of the year 2007', Better Interiors Award.
